**EXAMINER'S AMENDMENT / REASONS FOR ALLOWANCE**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In Claim 20, line 1, replace "19, ," with --19, --.

2. Claims 1-24 are allowed over the prior art of record.
3. The following is an examiner's statement of reasons for allowance:

The invention as claimed, specifically in combination with a light source producing at least one light beam, a first detector operable to produce first optical data in response to receipt of a reflection of a light beam from the target surface, a second detector operable to produce second optical data in response to receipt of a light beam from the target surface, and a processor operable to determine from the first optical data a first displacement measure corresponding to a displacement of a pattern imaged by the first detector, determine from the second optical data a second displacement measure corresponding to a displacement of a pattern imaged by the second detector, and calculate a distance to the target surface from the first and second displacement measures, is not disclosed or made obvious by the prior art of record.

Art Unit: 2878

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
